ALL THINGS NEW

STEADFAST IN FAITH • FORWARD IN HOPE

We have officially launched *All Things New*, the strategic pastoral planning process for the Archdiocese of St. Louis. *All Things New* will evaluate the effectiveness of the Church in St. Louis in proclaiming the Gospel and will identify opportunities for improvement and renewal within all parishes, schools, curia offices and agencies.

Why a pastoral planning initiative?

Well, why does the church exist? The Church exists to make disciples, not to run hospitals, schools or homeless shelters. The latter are all good fruits that flow from discipleship, but if we are not effective in making disciples, the institutions become hollow.

We all know that the Church of today is not the same that it was 50, 100 or 150+ years ago, yet we are still functioning in many ways out of the same mode of evangelization. We have inherited a great treasure of Catholic institutions from previous generations, but as the Catholic population and society have shifted over the past several decades, those institutions are no longer as effective or sustainable as they once were.

We are closer now to 2050 than to 1950. We need to ask ourselves what our parishes, ministries and institutions need to look like in order to effectively share the faith in a way that is suitable and sustainable for our children and for generations to come.

What does *All Things New* entail?

We will be utilizing three guiding principles for *All Things New*; unceasing prayer, a unified vision for evangelization, and intentional stewardship.

***Unceasing Prayer**

-Prayer resources for individuals and parishes, as well as local and diocesan events, will help us to renew our own personal call to holiness and evangelization and will ask the Holy Spirit's guidance as we discern what is best for our local Church moving forward.

***Unified Vision for Evangelization**

-Evangelization is the mission Jesus gives to us. To share the Good News is the responsibility of all of us. Yet only 0.6% of Catholics say that they feel equipped to share their story and invite others into relationship with Jesus and the Church. We need to renew and rediscover this call in our lives.

***Intentional Stewardship**

-The Church is made of living stones, not just those of brick and mortar. We cannot allow our attachment to infrastructure impede our primary mission of building up disciples and saving souls. Empty churches don't save anyone.

How will this initiative be accomplished?

Your prayers and input are needed. Opportunities for prayer, to provide feedback, and to attend listening sessions will be occurring all across the archdiocese. We invite you to stay informed and sign up for regular updates on the *All Things New* website at AllThingsNew.archstl.org. Sign up today!

Steadfast in Faith, Forward in Hope.

Pope Francis invites the whole Church to participate in the preparatory process for the upcoming Synod of Bishops on Synodality. This is an unprecedented opportunity for people to discuss and reflect upon the present and future shape the Church, as it attempts understanding of herself and her mission of evangelization and forming disciples.

What is Synodality?

In the words of Pope Francis, a synodal Church is a “listening Church knowing that listening is more than feeling. It is a mutual listening in which everyone has something to learn. We must all listen to the Holy Spirit, the spirit of Truth to know what the Spirit is saying to the Church. [...] This is what the Lord expects from the Church of the third millennium.” (Address at the commemoration of the 50th anniversary of the Synod of Bishops, 17 October 2015)

Come and Learn!

You are invited to a virtual conversation with Reverend Chris Martin, Vicar for Strategic Planning for the Archdioceses of St. Louis. It will be held **Tuesday, February 8, 2022 at 7:00 p.m. VIA ZOOM** and is sponsored by the St. Rose Philippine Social Justice Group.

Feast of St. Blaise ~ Thursday, February 3rd

According to tradition, Blaise was of noble birth and, after being educated in the Christian faith, was made bishop of Sebastia. Although Christianity had been adopted about 300 CE as the state religion in Armenia, the Roman emperor Licinius began a persecution of the Christians, and Blaise was discovered and apprehended. While imprisoned, he miraculously cured a boy from fatally choking. He is the patron saint of Relief from Throat Ailments and English Wool Combers . **St. Blaise, Pray for Us.**

Previous participating parishioner's reflections:

"When my wife passed away, I was devastated and lost. Our Pastoral Associate confronted me about a group that met at church. I was glad to hear of it. My daughter was going through hard times also, so we attended together. At first I was nervous not knowing what to

expect. Then I realized I was not alone in my feelings. It was a comfort to know others going through the same issues. I started looking forward to the meetings to be able to talk about our loss and to pray and realize she is still with me. Thank you so much for the opportunity to participate in this group. It gave me a lot of peace to go on."

Take a close look at this Sunday's Gospel story. Jesus has just finished reading the scripture that we heard last Sunday ("The Spirit of the Lord is upon me, he has anointed me to bring good news to the poor," etc.). He tells the people in the synagogue that this scripture is now being fulfilled through him, and they all speak highly of him. But by the end of this scripture, they're furious.

What changed their attitude?

Their awe turned into confusion when they remembered, "Isn't this the son of Joseph?" Unlike those who would meet Jesus for the first time in later chapters of the story, these people had experiences with Jesus the toddler who fell when learning to walk, Jesus the teenager who bled from mistakes made while learning the carpentry trade from his father, Jesus the young man who wept at his father's funeral.

Their attitude changed when they stopped listening with their spirits and started listening with their pre-conceived notions. This disconnect from the divine then stirred up their emotions.

Think of how people react when you confuse them by doing or saying something out of character, that is, out of the character that they expect from you. If you're perceived as too young or too old to do what you are in fact

capable of doing, or if your education level doesn't include a formal degree

that proves that you know what you do already know, or if you don't tell people what they want to hear, their surprise turns into confusion that triggers an emotional response against you.

We expect them to believe us, and when they don't, our surprise turns into confusion and self-protective anger. But how did Jesus handle it when they treated him this way? He calmly spoke a truth that was inspired by the Holy Spirit. Did he have an emotional reaction? Sure! He was human like us; we were all created by the Father to have emotions. The problem is not in the emotions; the problem occurs when we listen through our emotions instead of our spiritual connection to the Holy Spirit.

Reflect & Discuss:

1. How much time do you spend training your ear to hear the Holy Spirit within you?
2. When life is busy happening around you, do you mostly react to it or are you on some level praying about it?
3. What can you do this week to develop a more automatic connection to the Spirit of God?
4. What are some of the ways you listen to the Holy Spirit?
5. Keeping in mind a surprising challenge that happened to you recently, describe the differences between an emotional reaction and a spiritual action.
