A Note From Fr. Bob

Dear Friends,

On October 5, 2020, the St. Louis County Department of Health issued a new order which allows an increase of in-person gatherings to 50% of rated capacity for religious services. The updated parish guidelines for the parish in general and Mass in particular may be found on our website and Facebook page.

The changes with respect to Mass are an increase in the attendance limit, that the Communion Rite will now take place by procession, and that reservations through on-line sign up are discontinued.

Following a lively discussion with the Parish Council it was decided to increase our attendance limit to 150. While this is below the 50% limit allowed by the County DPH, it is what we can accommodate while adhering to social distancing requirements.

As you may have noticed from the live-stream or in person, the Communion Rite is now taking place through a procession. It is somewhat different from the norm in that the procession takes place on the side aisles rather than the center aisle. This is also to help us to adhere to the social distancing requirements.

Listening Session update

As announced previously, we will have parish listening sessions over the next few months. The sessions will address these four questions:

1. How have you been through this pandemic?
2. How is your faith life?
3. How can we keep you engaged?
4. How do we build up our parish in a pandemic under the current restrictions?

The sessions will have no more than 14 participants and will take place via Zoom and in person. A designated host will assist in taking notes. Sign-up will take place through the Sign-up Genius on our website or by contacting the Parish Office. The available dates will be listed on the link for sign-up. There are currently plans for 20 sessions, 6 will be in-person and 14 on Zoom. The first session will be on Zoom on Wednesday, October 28th at 7:00 pm. If you choose the Zoom option, your email address will be needed so that we might send you the link for the session. More sessions will be added if needed. If you have any questions, please contact me.

Let's pray for each other this week!

Peace,

Father Bob

SOCIAL JUSTICE—PRAYING WITH SCRIPTURE

Mighty Lord, yours are the heavens, yours the earth; / you founded the world and everything in it (Psalm 89:9, 11)

Humanity, in its role as steward of creation, has often abused the privilege and harmed God's universe. Pope Francis' 2015 encyclical *On Care for Our Common Home* (Laudato Si') & other recent documents & studies have called attention to our interconnectedness with everything God has made. Consider the following:

- As you look around your own corner of creation, what concerns spring to mind?
- How can those concerns be on your lips in prayer?
- What part can you play in bringing those prayers to fruition?

Are you interested in strengthening your bonds as a family, deepening your faith in the Catholic Church, and working with like-minded men to help support your church and community?

If so, please consider joining the Knights of Columbus.

In the Gospel reading, when Jesus asks the Pharisees to tell him whose image was engraved on the coin owed for the census tax, he uses it to teach a lesson about the image that should be engraved upon our hearts. Our hearts should belong to God and to God alone.

The Romans believed that their emperors were divine. Therefore, to possess Roman coins meant carrying around the graven image of a human god. The Pharisees knew this when they challenged Jesus.

Paying the census tax to Caesar symbolized more than just submission to a foreign government. It had religious connotations. If Jesus was a true prophet, he should speak up against Jews possessing pagan coins. If he was a true messiah, he

should deliver them from the oppression and taxes of the foreign government – or so they thought.

We don't know how they happened to have the Roman coin that they showed to Jesus. If they pulled it out of their own purses, which is likely, it revealed their hypocrisy. However, Jesus wasn't just interested in exposing their hypocrisy; he wanted to make a point about the True Messiah.

If we belong to God, Jesus is engraved upon our hearts. We have been rescued from the destruction of sin by the Messiah. We have let him deliver us from the oppression of evil that was caused by our sins.

Whose image do others see when they look at your life? When people see you, do they see Jesus engraved upon you? To the extent that they do, that's the extent to

which you belong to the kingdom of God!

Reflect & Discuss:

1. How do you know that others see Jesus in your life? What's the evidence?
2. What have they told you about yourself that is also a description of Christ?
3. What are some of the ways in which Jesus has come into your life and changed you from within?
4. How has that changed the way you live?
5. How does this evangelize the people around you?
